

# Event medical cover for community events across East Suffolk

FREC 4 qualified, HPAC registered, insured to £6 million, and local. Small enough to be affordable for a parish event — qualified enough to be the right answer if something happens.

## WHAT YOU GET ON THE DAY

- ☐ **FREC 4 responder on site** — assessment, emergency care within scope, and escalation to EEAST without delay
- ☐ **Defibrillator and full response kit**, carried in a marked support vehicle
- ☐ **EEAST-standard patient records** — every contact documented properly
- ☐ **A written cover agreement** before the day, so everyone knows what is and isn't included
- ☐ **Post-event report** — anonymised activity summary for your committee and insurers

## DOCUMENTATION INCLUDED

- ☐ **Free written risk assessment** with every booking
- ☐ Medical needs assessment sized to your event and expected attendance
- ☐ Emergency action plan and escalation routes agreed in advance

### From £195

All-in — £40/hr, 4-hour minimum, kit and vehicle included

### £6m

Public liability and professional indemnity

### Risk-led

Judged on event profile, not a headcount cap

## Free written quote, no obligation

Tell me the event, the date and rough numbers and you will get a written quote and a draft risk assessment — before you commit to anything.
